Wonder By Laura Kelley

wonder what would happen
if we let God lead the way
if we stopped all the silly games we play
I wonder what would happen
if we were uplifting to all and
never let anyone fall
i wonder what would happen
if we never stressed
and remembered how much we are blessed
i wonder what would happen
if we quit saying thats not fair
but took everything to God in prayer
I wonder what would happen
If people remembered that God is there
and that he really cares.
through my eyes a poem
through my eyes you will see
a beautiful girl staring back at me
through my eyes you will see
a caring girl looking a me
through my eyes you will see
God flowing out of me
through my eyes you will see
a confident girl looking at me
through my eyes you will see
people caring about me
through my eyes you will see
a girl God has set free
